Overview and Summaries of Papers	1
Part 1. Setting the Context	33
Review of Irrigation Development in Kenya	35
<i>Stephen N. Ngigi</i>	
New Irrigation Technologies	55
<i>Isaya V. Sijali and Rose A. Okumu</i>	
Part 2. Smallholder Irrigation in the Basin Context	73
Use of Geographic Information Systems for Planning and Management of Smallholder Irrigation and Drainage	75
<i>Bancy M. Mati</i>	
Preliminary Evaluation of Irrigation Development in Kenya	93
<i>Stephen N. Ngigi</i>	
Water Scarcity and Conflicts: A Case Study of the Upper Ewaso Ng'iro North Basin	113
<i>Francis N. Gichuki</i>	
Links Between Land Management, Sedimentation, Nutrient Flows and Smallholder Irrigation in the Lake Victoria Basin	135
<i>Chin Ong and Frederick Orego</i>	
Impact of Water Scarcity on Pastoral Systems: Experience from the 1995–97 Drought and the 1997–98 El Niño Rains in the Greater Horn of Africa	155
<i>Jean Ndikumana</i>	
Part 3. Community Management Issues in Smallholder Irrigation	169
Smallholder Management of Irrigation in Kenya	171
<i>Woulter Scheltema</i>	
From Government to Farmer-Managed Smallholder Rice Schemes: The Unresolved Case of the Mwea Irrigation Scheme	191
<i>Charity Kabutha and Clifford M. Mutero</i>	

Health Impact Assessment of Increased Irrigation in the Tana River Basin, Kenya	211
<i>Clifford M. Mutero</i>	
<hr/>	
Integrated Pest Management (IPM) Issues in Irrigated Agriculture:	
Current Initiatives and Future Needs to Promote IPM Adoption	
by Smallholder Farmers in Eastern Africa	231
<i>S. Sithanatham, A. A. Seif, C. Matoka and C. Mutero</i>	
<hr/>	
Part 4. Potential Impacts of Changes in Smallholder Irrigation	263
Commercialization of Smallholder Irrigation: Economic and Social Implications	
in Semiarid Areas of Eastern Kenya	265
<i>H. Ade Freeman and Said N. Silim</i>	
<hr/>	
Water Policy and Law in a Water-Scarce Country: Implications for	
Smallholder Irrigation in Kenya	277
<i>Chris Huggins</i>	
<hr/>	
Part 5. Regional Relevance	301
Relevance of Kenyan Irrigation Experience to Eastern and Southern Africa	303
<i>N. Hatibu, H. F. Mahoo and O. B. Mzirai</i>	
<hr/>
